BETH ISRAEL MEDICAL CENTER- KINGS HIGHWAY DIVISION DEDICATES NACMIAS-BORREN FAMILY ATRIUM

December 12, 2007 -- Brooklyn Borough President Marty Markowitz was at Beth Israel Medical Center-Kings Highway Division on Wednesday, December 5, to help dedicate the Nacmias-Borren Family Atrium in the hospital's main lobby.

The lobby's new look was made possible by a generous donation from Joseph Nacmias, a certified public accountant, is a partner in the New York City office of McGladrey & Pullen, LLP; and Eila Nacmias, Coordinator of the hospital's Credentials Office who has worked at the Kings Highway Division for more than 10 years. The gift was made in memory of their son, David; Eila's father, Jack Borren; and Mr. Nacmias' mother, Francine.

"We are grateful to Joseph and Eila Nacmias for their gift, which greatly enhances our lobby ambiance," said KHD Administrator Rhona Hetsrony. "Their generosity made possible the refurbishing of an area that now features comfortable seating, a new security station, lobby music, new flooring and lighting, as well as a new handicap-accessible bathroom. Visitors and staff can enjoy a cup of coffee and other offerings from a snack bar located on the upper lobby level."

Beth Israel Medical Center-Kings Highway Division is located at 3201 Kings Highway, between East 32nd Street and New York Avenue.
